## **BUCHANS MINERALS ANNOUNCES TERMS OF SG SPIRIT GOLD FINANCING AND DATE FOR SPECIAL MEETING OF BUCHANS MINERALS SHAREHOLDERS**

---

**Buchans Minerals Corporation (BMC-TSX-V)** ("Buchans Minerals" or the "Company") wishes to provide an update on the progress of the transaction (the "Transaction") contemplated by the definitive agreement (the "Agreement") with SG Spirit Gold Inc. (SG-TSX-V) ("SG Spirit Gold") as previously disclosed in its press release of January 26<sup>th</sup> 2012 and to announce the date of the special meeting of shareholders of Buchans Minerals to approve the Transaction.

### **Summary of Agreement:**

Under the terms of the Agreement, SG Spirit Gold is required to raise a minimum of \$12.5 million ("Financing"). Upon completion of the Financing Buchans Minerals will sell its base metal assets to SG Spirit Gold, including the Lundberg deposit, Daniels Pond deposit and 49% interest in the Tulks Hill deposit (collectively, the "Buchans Property") in exchange for: (a) 50% of the issued and outstanding common shares of SG Spirit Gold ("SG Shares") on completion of the Financing and acquisition by SG Spirit Gold of the Bobby's Pond deposit from Mountain Lake Resources Inc.; (b) 50% representation on the SG Spirit Gold board; (c) a \$2 million cash payment to Buchans Minerals; and (d) warrants of SG Spirit Gold ("SG Warrants") at a discount to the Financing price. The Agreement is available for review on SEDAR at [www.sedar.com](http://www.sedar.com). Upon completion of the Transaction, SG Spirit Gold intends to change its name to "Regiment Zinc Corp."

### **SG Spirit Gold Financing:**

On February 6<sup>th</sup>, 2012, SG Spirit Gold announced that they had engaged a syndicate of agents co-led by NCP Northland Capital Partners Inc. ("Northland") and Desjardins Securities Inc. (together with the other members of the syndicate), to place on a "best efforts" basis by way of private placement, subscription receipts of the Company (the "Subscription Receipts") at a price of \$0.75 per Subscription Receipt and flow-through subscription receipts of the Company (the "Flow-Through Subscription Receipts") at a price of \$0.85 per Flow-Through Subscription Receipt. Aggregate gross proceeds from the sale of the Subscription Receipts and the Flow-Through Subscription Receipts will be approximately \$12,500,000, with a maximum of \$7,000,000 from the sale of Flow-Through Subscription Receipts.

Upon satisfaction of certain conditions (as more fully described in SG Spirit Gold's news release of February 6, 2012), each Subscription Receipt and Flow-Through Subscription Receipt will entitle the holder to receive one unit of SG Spirit Gold (a "Unit") and one flow-through common share of SG Spirit Gold, respectively, without the payment of additional consideration and

without further action. Each Unit will be comprised of one common share of SG Spirit Gold (a "SG Common Share") and one-half of one non-transferable common share purchase warrant of SG Spirit Gold (each whole warrant, a "SG Purchase Warrant"). Each SG Purchase Warrant will be exercisable into one additional SG Common Share at a price of \$1.25 for a period of 24 months from the closing date of the Financing. Each Flow-Through Subscription Receipt will entitle the holder to receive one flow-through common share of SG Spirit Gold. For additional details of the Financing, please refer to the SG Spirit Gold news release of February 6<sup>th</sup>, 2012.

### **Shareholder Value:**

Although the terms of the Agreement require SG Spirit Gold to raise a minimum of \$12.5 million (in which case Buchans Minerals will receive 50% of the issued and outstanding SG Shares), SG Spirit Gold has the right to raise up to \$15 million, in which case Buchans Minerals will receive approximately 47.60% of the issued and outstanding SG Shares upon completion of the Transaction. Buchans Minerals shareholdings in SG Spirit Gold on a fully diluted basis would be approximately 44.50% in the event SG raises \$12.5 million and 42.14% in the event SG raises \$15 million. As per the Financing terms announced by SG Spirit Gold on February 6<sup>th</sup>, 2012, it is anticipated that Buchans Minerals will receive on a non-diluted basis 31,431, 374 SG Shares and 6,286,275 SG Warrants at an exercise price of \$0.50 per SG Warrant. In addition Buchans Minerals has the right to participate in future financings of SG in proportion to its shareholdings on a fully diluted basis and has the right to dividend out all or part of its SG Shares to Buchans Minerals shareholders.

Upon completion of the Transaction, it is expected that Buchans Minerals will have holdings in SG Spirit Gold with significant market value (including "in-the money" SG Warrants), in addition to cash (net of current liabilities) of approximately \$3.3 million as well as the Company's interest in the Long Range joint venture in Newfoundland and the Woodstock manganese project in New Brunswick.

Management of Buchans Minerals and the Board of Directors are confident that the Transaction and the partnership with SG Spirit Gold will provide for the continuing development and expansion of the Buchans base metal assets while avoiding dilution of Buchans Minerals shareholders. In addition, it will allow management to focus on the development of the Company's Woodstock manganese project as well as continued exploration of existing projects and generation of new exploration and development opportunities.

**The Transaction will require Buchans Minerals shareholder approval at a Special Meeting to be held on March 14, 2012 (details are given below). Shareholders are encouraged to read the Circular that will be mailed no later than February 22, 2012. The Board of Directors encourages shareholders to vote in support of the transaction.**
