MANAGEMENT INFORMATION CIRCULAR

SOLICITATION OF PROXIES

This Information Circular is furnished in connection with the solicitation of proxies by and on behalf of the management of BUCHANS RESOURCES LIMITED ("**Buchans**" or the "**Corporation**") for use at the Annual Meeting of Shareholders of the Corporation (the "**Meeting**") to be held on June 26, 2020 at 11:00 A.M. (Toronto time), for the purposes set out in the accompanying Notice of Meeting.

It is expected that the solicitation will be made primarily by mail. Proxies may be solicited by officers, directors and regular employees of the Corporation personally or by telephone. The cost of such solicitation will be borne by the Corporation.

NOTICE-AND-ACCESS

The Canadian Securities Administrators have adopted amendments to NI 54-101, which allow for the use of the "notice-and-access" regime for the delivery of meeting materials. Under the notice-and-access regime, reporting issuers are permitted to deliver the meeting materials by posting them on SEDAR as well as a website other than SEDAR and sending a notice package to each shareholder receiving the meeting materials under this regime.

The notice package must include: (i) the relevant form of proxy or voting instruction form; (ii) basic information about the meeting and the matters to be voted on; (iii) instructions on how to obtain a paper copy of the meeting materials; and (iv) a plain-language explanation of how the notice-and-access system operates and how the meeting materials can be accessed online. Where prior consent has been obtained, a reporting issuer can send this notice package to shareholders electronically. This notice package must be mailed to shareholders from whom consent to electronic delivery has not been received.

The Corporation has elected to send its meeting materials to Beneficial Shareholders (as defined herein) using the notice-and-access regime. Accordingly, the Corporation will send the above-mentioned notice package to Beneficial Shareholders which includes instructions on how to access the Corporation's meeting materials online and how to request a paper copy of these materials. Distribution of the Corporation's meeting materials pursuant to the notice-and-access regime has the potential to substantially reduce printing and mailing costs.

APPOINTMENT OF PROXYHOLDERS

The individuals named in the accompanying form of proxy (the "**Proxy**") as proxyholders, are Officers and/or Directors of the Corporation. If you are a shareholder entitled to vote at the Meeting, you have the right to appoint a person or company other than the persons designated in the Proxy, who need not be a shareholder, to attend and act for you on your behalf at the Meeting. You may do so either by inserting the name of that other person in the blank space provided by the Proxy or by completing and delivering another suitable form of proxy.

COMPLETION AND RETURN OF PROXY

Completed Proxies must be deposited at the office of the Corporation at 1805-55 University Avenue, Toronto, Ontario, M5J 2H7, not later than June 24, 2020.

VOTING BY PROXYHOLDER

The persons named in the Proxy will vote or withhold from voting the shares represented thereby in accordance with your instructions on any ballot that may be called for. If you specify a choice with respect to any matter to be acted upon, your shares will be voted accordingly. The Proxy confers discretionary authority on persons named therein with respect to:

- (a) Each matter identified therein for which a choice is not specified, other than the appointment of an auditor and the election of directors;
- (b) Any amendment to or variation of any matter identified therein; and
- (c) Any other matter that properly comes before the Meeting.

In respect of a matter for which a choice is not specified in the Proxy, the persons named in the Proxy will vote the shares represented by the Proxy for the nominees of management for Elections of Directors and Appointment of Auditors as identified in the Proxy, as applicable, and in favour of each matter identified on the Proxy.

NON-REGISTERED HOLDERS

Only registered Shareholders of the Corporation or the persons they appoint as their proxies are permitted to vote at the Meeting. Registered Shareholders are holders of Shares of the Corporation whose names appear on the share register of the Corporation and are not held in the name of a brokerage firm, bank or trust company through which they purchased Shares. Whether or not you are able to attend the Meeting, Shareholders are requested to vote their Proxy in accordance with the instructions on the Proxy.

Most Shareholders are "non-registered" Shareholders ("**Non-Registered Shareholders**") because the shares they own are not registered in their names but are instead registered in the name of the brokerage firm, bank or trust company or other intermediary through which they purchased the Shares. The Corporation's Shares beneficially owned by a Non-Registered Shareholder are registered either: (i) in the name of an intermediary (an "**Intermediary**") that the Non-Registered Shareholder deals with in respect of their shares of the Corporation (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans); or (ii) in the name of a clearing agency (such as The Canadian Depository for Securities Limited or The Depository Trust & Clearing Corporation) of which the Intermediary is a participant.

There are two kinds of beneficial owners: those who object to their name being made known to the issuers of securities which they own (called "**OBOs**" for Objecting Beneficial Owners) and those who do not object (called "**NOBOs**" for Non-Objecting Beneficial Owners). The Corporation is sending the Meeting materials directly to NOBOs in connection with the Meeting.

With respect to OBOs, in accordance with applicable securities law requirements, the Corporation has distributed copies of the Meeting materials to the clearing agencies and Intermediaries for distribution to OBOs. The Corporation does not intend to pay for Intermediaries to deliver the Meeting materials.

A Non-Registered Shareholder may revoke a voting instruction form or a waiver of the right to receive Meeting materials and to vote which has been given to an Intermediary at any time by written notice to the Intermediary provided that an Intermediary is not required to act on a revocation of a voting instruction form or of a waiver of the right to receive Meeting materials and to vote which is not received by the Intermediary at least seven days prior to the Meeting.

NOTICE TO SHAREHOLDERS IN THE UNITED STATES

The solicitation of proxies involves securities of an issuer located in Canada and is being effected in accordance with the corporate laws of Canada and securities laws of the provinces of Canada. The proxy solicitation rules under the United States Securities Exchange Act of 1934, as amended, are not applicable to the Corporation or this solicitation, and this solicitation has been prepared in accordance with the disclosure requirements of the securities laws of the provinces of Canada. Shareholders should be aware that disclosure requirements under the securities laws of the provinces of Canada differ from the disclosure requirements under United States securities laws.

The enforcement by Shareholders of civil liabilities under United States federal securities laws may be affected adversely by the fact that the Corporation is incorporated under the *Business Corporation Act* (Ontario), as amended, certain of its directors and its executive officers are residents of Canada and countries other than the United States, and all of the assets of the Corporation and a substantial portion of the assets of such persons are located outside the United States. Shareholders may not be able to sue a foreign company or its officers or directors in a foreign court for violations of United States federal securities laws. It may be difficult to compel a foreign company and its officers and directors to subject themselves to a judgment by a United States court.

REVOCATION OF PROXY

Any Registered Shareholder who has returned a Proxy may revoke it at any time before it has been exercised. In addition to revocation in any other manner permitted by law, a Proxy may be revoked by instrument in writing, including a Proxy bearing a later date, executed by the Registered Shareholder or by his attorney authorized in writing or, if the Registered Shareholder is a corporation, under its corporate seal or by an officer or attorney thereof duly authorized. The instrument revoking the Proxy must be deposited at the registered office of the Corporation, at any time up to and including the last business day preceding the date of the Meeting.

Only Registered Shareholders have the right to revoke a Proxy. Non-registered holders who wish to change their vote must, at least seven before the Meeting, arrange for their respective Intermediaries to revoke the Proxy on their behalf.

VOTING SHARES AND PRINCIPAL HOLDERS THEREOF

Each holder of common shares in the capital of the Corporation (“**Common Shares**”) of record at the close of business on May 8, 2020 will be entitled to vote at the Meeting or at any adjournment thereof, by proxy, except to the extent that such holder has transferred any Common Shares after the record date and the transferee of such Common Shares establishes proper ownership thereof and demands, not later than ten days before the Meeting, to be included in the list of shareholders entitled to vote at the Meeting, in which case such transferee is entitled to vote.

As at May 8, 2020, the Corporation had 59,868,716 issued and outstanding Common Shares. Each Common Share carries the right to one vote per share.

To the knowledge of the Directors and executive officers of the Corporation, no person beneficially owns, directly or indirectly, or exercises control or direction over more than 10% of the outstanding Common Shares.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

Except as otherwise disclosed herein, no person who has been a director or executive officer of the Company at any time since the beginning of the Company's last financial year, nor any Nominee (as defined below), nor any of the associates or affiliates of the foregoing persons, has a material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted upon at the Meeting, other than the election of directors or the appointment of auditors.

PARTICULARS OF MATTERS TO BE ACTED UPON AT THE MEETING

Under the constating documents of the Corporation, the Board is to be elected annually. The Board currently consists of six Directors. At the Meeting, shareholders will be asked to approve an ordinary resolution for the election of the six persons named hereunder as directors of the Corporation (the "Nominees").

Management does not contemplate that any of the Nominees will be unable to serve as a Director, but if that should occur for any reason prior to the Meeting, it is intended that discretionary authority shall be exercised by the persons named in the accompanying Proxy to vote the Proxy for the election of any other person or persons in place of any Nominee or Nominees unable to serve. Each Director elected will hold office until the close of the first annual meeting of shareholders of the Corporation following his or her election or until his or her successor is duly elected or appointed, unless his or her office is earlier vacated in accordance with the by-laws of the Corporation.

Conflicts of Interest

There are no material transactions with or involving the Directors, executive officers, promoters or principal holders of securities of the Corporation that have occurred since incorporation. Some of the Directors and officers of the Corporation are engaged and will continue to be engaged in the search for additional business opportunities on behalf of other corporations, and situations may arise where these Directors and officers will be in direct competition with the Corporation. Certain of the Corporation's Directors and officers also serve as Directors and/or officers of companies which may enter into contracts with the Corporation in the future. In the event that this occurs, a conflict of interest will exist. Directors in a conflict of interest position are required to disclose such conflicts to the Corporation.

The Directors of the Corporation are required by law to act honestly and in good faith with a view to the best interests of the Corporation and to disclose any interests that they may have in any material contract or material transaction. If a conflict of interest arises at a meeting of the Board of Directors, any director in a conflict is required to disclose his interest and abstain from voting on such matter.

The Directors and officers of the Corporation are aware of the existence of laws governing accountability of directors and officers for corporate opportunity and requiring disclosures by directors of conflicts of interest in respect of the Corporation and are required to comply with such laws in respect of any directors' and officers' conflicts of interest or in respect of any breaches of duty by any of its directors or officers.

EXECUTIVE COMPENSATION

Named Executive Officers

During the year ended December 31, 2019, the Corporation had two Named Executive Officers (“NEOs”) as defined under applicable Canadian securities regulations; namely, John F. Kearney; Chief Executive Officer and Danesh Varma, Chief Financial Officer.

Compensation Discussion and Analysis

Given the stage of development and scale of its operations, the Corporation has not paid any salary to its Chief Executive Officer in his capacity as an executive officer during the last financial year. In December 2017, on the recommendation of an Independent Committee, the Board of Directors approved the issue of 833,333 shares valued at \$0.30 per share to John Kearney, Chairman and Chief Executive, as compensation for management services in the equivalent amount of \$250,000, which shares were issued in 2018.

Summary of Compensation

Except as noted below, the NEOs have received no compensation from the Corporation during its financial year ended December 31, 2019. The Corporation does not plan to provide regular compensation to its executive officers during the next 12 months, however, it is anticipated that certain of its officers will be engaged from time to time to provide services as consultants to the Corporation and they will be compensated at standard industry rates on the basis of the actual time spent and the nature of the services provided.

Director and Named Executive Officer Compensation

Particulars of compensation earned by each NEO and Director in the two most recently audited financial years are set out in the summary compensation table below:

Table of compensation excluding compensation securities							
Name and Position	Year	Salary, consulting fee, retainer or commission (\$)	Bonus (\$)	Committee or meeting fees (\$)	Value of perquisites (\$)	Value of all other compensation (\$)	Total compensation (\$)

No bonuses were paid to the Named Executive Officers during the financial year ended December 31, 2019. The Corporation does not have a formal annual incentive bonus plan in place. Any award of a bonus to executive officers would be entirely at the discretion of the Board.

Stock Options and Other Compensation Securities

During the most recently completed financial year, there were no incentive stock options and SARs (stock appreciation rights) granted to or exercised by the Directors or NEO's.

Defined Benefit or Actuarial Plan

The Corporation does not have a defined benefit, actuarial or pension plan.

Compensation Governance

The Corporation does not have a Compensation Committee. Compensation matters are reviewed by the full Board of Directors. An interested board member is required to abstain from voting on matters concerning their own compensation. Currently, the Directors of the Corporation do not receive fees in their capacities as Directors, as described under "Directors Compensation". See "Directors Compensation".

The Board relies on the general knowledge and experience of its members, and recommendations from the Chief Executive Officer, in reviewing appropriate levels of compensation for Named Executive Officers and the implementation of, or amendment to, any other aspects of compensation that the Board may review from time to time. Members of the Board have relevant general, but not direct, experience in executive compensation and compensation policies and practices in the mineral resources business gained through current and prior experience in business and in the minerals industry. The Corporation has not had any contractual arrangement with any compensation consultant at any time during 2019.

The Board as a whole is responsible for considering the risks associated with the Corporation's compensation policies and practices and has not identified any specific risks associated with the Corporation compensation policies and practices that are reasonably likely to have a material adverse effect.

Because of the current scale and scope of the Corporation's operations, and the limited number of senior management and employees, and the oversight by the Board of all significant activities, including risk management, the Board does not believe that the Corporation's compensation policies and practices would encourage any executive officer to take inappropriate or excessive risk.

The Corporation's NEOs or Directors are not prohibited from purchasing financial instruments, including, prepaid variable forward contracts, equity swaps, collars, or units of exchange funds that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by the Named Executive or Director.

Termination and Change of Control Benefits

There are no compensatory plans or arrangements with respect to the NEOs, which result or will result from the resignation, retirement or any other termination of employment of a Named Executive's employment with the Corporation or any subsidiary, or from a change of control of the Corporation or a subsidiary, or a change in the Named Executive's responsibilities following a change in control.

INDEBTEDNESS OF DIRECTORS AND EXECUTIVE OFFICERS

None of the Directors, officers, or associates of such persons have been indebted to the Corporation or any of its subsidiaries at any time since the commencement of the Corporation's most recently completed

financial year. No such person has been indebted to any other entity where such indebtedness is the subject of a guarantee, support agreement, letter of credit or similar arrangement or understanding provided by the Corporation or any of its subsidiaries in respect of the purchase of securities or otherwise.

INTERESTS OF INFORMED PERSONS IN MATERIAL TRANSACTIONS

No informed person of the Corporation, proposed Director of the Corporation, or associate or affiliate of any informed person or proposed Director of the Corporation has or has had any material interest, direct or indirect, in a transaction since the commencement of the Corporation's most recently completed financial year or in any proposed transaction which has materially affected or would materially affect the Corporation or any of its subsidiaries.

INDEMNIFICATION OF DIRECTORS AND OFFICERS

The by-laws of the Corporation provide that the Corporation is required to indemnify a Director or officer, or former director or officer, or a person who acts or acted at the request of the Corporation as a director or officer of a body corporate of which the Corporation is or was a shareholder or creditor, and his or her heirs and legal representatives, against all costs, charges and expenses, including an amount paid to settle an action or satisfy a judgment, reasonably incurred by him or her in respect of any civil, criminal or administrative action or proceeding to which he or she is made a party by reason of having been a director or officer of such body corporate if (a) he or she acted honestly and in good faith with a view to the best interests of the Corporation, and (b) in the case of a criminal or administrative action or proceeding that is enforced by a monetary penalty, he or she had reasonable grounds for believing that his or her conduct was lawful.

The Corporation has purchased insurance for the benefit of the Corporations directors and officers against liability incurred by them in their capacity as directors and officers. The policy provides coverage on a claim-by-claim made basis in respect of a maximum total liability of \$3 million, subject to a deductible of \$25,000 per event. The premium which was paid in 2019 was \$15,840. The policy contains standard industry exclusions.

CORPORATE GOVERNANCE

The Directors of the Corporation are committed to maintaining high standards of corporate governance and to managing the Corporation in an honest and ethical manner. The Board believes that its corporate governance policies and procedures are appropriate in light of the size, nature and stage of development of the Corporation. The Board is accountable to shareholders for good corporate governance and has adopted the following procedures in this regard.

Board of Directors

The Board currently comprises six members, four of whom the Board has determined are "independent" within the meaning of Canadian National Instrument 58-101, Disclosure of Corporate Governance Practices (the "NI 58-101").

A Director who has no direct or indirect material relationship with the Corporation is independent within the meaning of NI 58-101. A "material relationship" is defined as a relationship which could, in the view of the Board, be reasonably expected to interfere with the exercise of a director's independent judgment.

The Chairman of the Board, John F. Kearney, is not considered independent in that he is also Chief Executive Officer of the Corporation. Danesh Varma, Chief Financial Officer is also considered non-independent.

Messrs. Downey, McKillen, McParland, and Power are considered independent Directors since they are all independent of management and free from any material relationship with the Corporation. The basis for this determination is that none of the independent Directors has been employed by the Corporation, received direct remuneration from the Corporation or had any material contracts with or material interests in the Corporation which could interfere with their ability to act with a view to the best interests of the Corporation.

Directorships

The following Directors of the Corporation are at present directors of reporting issuers (or equivalent):

Director	Name of Reporting Issuer
John Kearney	Anglesey Mining Plc (LSE:AYM) Canadian Manganese Company Inc. Conquest Resources Limited (TSXV:CQR) Labrador Iron Mines Holdings Limited (OTC: LBRMF) Xtierra Inc. (TSXV:XAG)
Terence McKillen	Conquest Resources Limited (TSXV:CQR) Xtierra Inc. (TSXV:XAG)
Michael Power	Greencastle Resources Ltd. (TSXV:VGN)
Danesh Varma	Anglesey Mining Plc (LSE:AYM) Brookfield Investment Corp. (TSX:BIP; NYSE:BIP) Canadian Manganese Company Inc. Labrador Iron Mines Holdings Limited (OTC: LBRMF) Xtierra Inc. (TSXV:XAG)

Orientation and Continuing Education

The Board recognizes the importance of continuing education to ensure that members of the Board maintain the skill and knowledge for them to meet their obligation as directors. The Corporation currently has no formal orientation and education program for Board members. Information (such as recent reports, technical reports and various other operating, property and budget reports) is provided to Board members to ensure that Directors are familiarized with the Corporation's business and the procedures of the Board. In addition, directors are encouraged to visit the Corporation's properties at least once per year. The Corporation also encourages continuing education of its Directors by distributing information on industry and regulatory matters and by facilitating attendance at industry conferences, seminars or courses.

Ethical Business Conduct

The Board has considered adopting a written code of business conduct and ethics however due to the small size of the Corporation and the limited scale of its operations, the Corporation has not adopted such a code to date.

In addition, as some of the Directors of the Corporation also serve as Directors and officers of other companies engaged in similar business activities, the Directors must comply with the conflict of interest provisions under the Business Corporation Act (Ontario), as well as the relevant securities regulatory instruments, in order to ensure that Directors exercise independent judgment in considering transactions and agreements in respect of which a Director or officer has a material interest. Any interested Director is required to declare the nature and extent of his or her interest and is not entitled to vote at meetings of Directors where such a conflict arises.

The Board believes that the fiduciary duties placed on individual directors by the Corporation governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual director's participation in decisions of the Board in which the Director has an interest have been sufficient to ensure that the Board operates in the best interests of the Corporation.

Nomination of Directors

The Board does not have a separate nominating committee. The Board performs the functions of a nominating committee with responsibility for the appointment and assessment of Directors. In view of the current size of the Corporation and the current scale of its operations, the composition of the current Board and the service of the current members of the Board, a separate nominating committee has not as yet been considered necessary by the Corporation.

While there are no specific criteria for Board membership, the Corporation attempts to attract and maintain Directors with business experience and a particular knowledge of mineral exploration, project development and mining or other areas such as finance which would assist the Corporation. As such, nominations to the Board have been the result of recruitment efforts by the Corporation and discussions among the Directors prior to the consideration by the Board as a whole.

Compensation

Given the current stage of development of the Corporation, the Directors of the Corporation do not currently receive fees in their capacities as Directors.

No cash compensation was paid to Directors for the most recently completed financial year. Directors who also provide professional or consulting services to the Corporation may be compensated based upon the invoiced value of the services provided. Directors are entitled to be reimbursed for all reasonable expenses incurred in attending meetings of the board or any committee of the board.

Other Board Committees

The Board has not established any committees, other than the Audit Committee.

Assessments

Given the size of the Corporation and the current stage of development and scale of its operations, the Board believes that its structure and composition is appropriate and that the Board is functioning effectively at the current time. From time to time, the Board assesses the contributions and effectiveness of the Board as a whole, and each individual Director, to determine whether each is functioning effectively.

Board and Corporate Diversity

The Corporation currently does not have any women Board members or in executive officer positions (as such term is defined in the Canadian Securities Administrators guidelines for effective corporate governance). The Corporation recognizes the value of individuals with diverse attributes on the Board and in executive officer positions and the desirability of representation of women on the Board and in executive officer positions.

The Corporation has not adopted a written policy relating to the identification and nomination of women directors or regarding the number of women in executive positions because it does not believe that a written policy is the best way to achieve the Corporation's business objectives.

The Corporation believes that the interests of the Corporation would be best served by ensuring that new directors or executives are identified and selected from the widest possible group of potential candidates.

A formalized written diversity policy governing the identification and selection of potential women candidates may unduly restrict the Corporation's ability to select the best and most suitable candidate.

The Board is responsible for establishing qualifications and skills necessary for an effective Board and various committees of the Board and for senior executive positions, including factors such as professional experience, particular areas of expertise, personal character, potential conflicts of interest, diversity and other commitments.

Although diversity, which includes diversity in gender, age, ethnicity and cultural background, is one of the factors considered in the Corporation's identification and selection process, other factors, including knowledge and relevant experience, or particular areas of expertise, are given greater consideration in the identification and selection process. In light of the Corporation's view that candidates should be selected from the widest possible group of qualified individuals, the level of representation of women may be considered but is not a major factor in identifying and appointing individuals to the Board.

The Corporation's policy with respect to the representation of women in executive officer positions is the same as its views on the representation of women in the director identification and selection process. In making decisions as to executive officer appointments, the Corporation believes that decisions to hire or promote an individual should be based on that person's knowledge and experience, particular areas of expertise, character and merit. Accordingly, the representation of women in executive officer positions may be considered but is not a major factor and is not an issue when making executive officer appointments.

The Corporation has not adopted a target regarding the representation of women on the Board or in executive officer positions for the reasons set out above. The Corporation believes that adopting such a target would unduly restrict its ability to select, hire or promote the best and most suitable candidate for the position in question.

APPOINTMENT OF AUDITORS

The Directors propose to nominate McGovern Hurley LLP, as the Auditors of the Corporation to hold office until the close of the next annual meeting of shareholders.

In the past, the Directors have negotiated with the Auditors of the Corporation on an arm's length basis in determining the fees to be paid to the Auditors. Such fees have been based on the complexity of the matters in question and the time incurred by the Auditors. The Directors believe that the fees negotiated in the past with the auditors of the Corporation were reasonable and, in the circumstances would be comparable to fees charged by other auditors providing similar services.

The management representatives named in the attached form of Proxy intend to vote in favour of the appointment of McGovern Hurley LLP as auditors of the Corporation and in favour of authorizing the directors to fix the remuneration of the auditors, unless a shareholder specifies in the Proxy that his or her Common Shares are to be withheld from voting in respect of the appointment of auditors and the fixing of their remuneration.
